SPECIAL "FLASH" ISSUE

STRONG, ZOOK, O'SHAUGHNESSY HEAD TEAMS FOR ALL-OUT COMMUNITY CHEST DRIVE

Something different in REA's Community Chest drive this year! It all started with a chance remark that the telephone staff could beat the electric staff "any old day" - or maybe it was the other way around. Anyhow, Jack O'Shaughnessy and Roy Zook now find themselves captains of competing teams, each sworn to raise more money than the other in meeting the needs of welfare agencies in the National Capital area.

Not one to be left behind, Fred Strong made a count of all REA-ers who are not committed exclusively to either the electric or telephone program. Although he could not muster as big a team, he boasts that the Administrative staffers can put on a better show than either the telephone or electric offices. So now it's a three-way race, and we are not permitted to say a word about any side bets that have been made on who will roll up the best collection.

IT'S GOING TO BE A SHORT, FAST RACE

About this Community Chest campaign - remember how it dragged out last year? And the year before? And the year before that? And the keymen got embarrassed about coming back to see you as the weeks went by? And you got tired of ducking under the desk? Well, that is ended. We have it on the highest authority that a Strong effort (Fred Strong, that is) will be made this year to begin the REA drive on Tuesday, September 28th, and close it Tuesday, September 28th. That's right - ONE DAY!

And Walt Ettleman - he's Vice-Chairman for this year's drive - promises that that ONE DAY will be something quite special. Walt says (and we quote), "If you (that's each member of the REA staff) will make a special effort to give as much this year as you did last - and then add just a little more - why I will guarantee that we will make Tuesday's ONE DAY drive a whoop-do-do to remember all during the long winter months ahead."

"GETTING OFF ON THE RIGHT FOOT DEPARTMENT":

We don't think anyone missed the announcement in Wednesday's memo, but just as a reminder: "See you at the meeting in Jefferson Auditorium!" Electric Eng. Division, Elec. Oper. & Loans Division, and the Elec. Regional and Area Offices will meet with Roy Zook at 3:30 p.m., Friday, September 24th. Those in the Tele. Eng. Division and Tele. Oper. & Loans Division will meet with Jack O'Shaughnessy at 4:00 p.m., same day, same place. Everybody else will meet with Fred Strong, 4:30, ditto.
